Pergola

Designed for the Ultimate Comfort

The Pergola features minimalistic profiles and engineering solutions, opening up a world of possibilities for you to experience the outdoors within the comfort of the pergola. Think Pergola on your rooftop, perfect for the weekend BBQ party, or better yet, a Pergola by the pool.

The Pergola features 3 distinct models. Each of them configured to provide a different lighting solution, they add an atmosphere to your outdoor living that would definitely set the mood of your home.

Motorised Louvre

With 3 distinct lighting designs controlled by a single remote
